Company number: 3383573

**Liquidators' First Report to Creditors and
Shareholders**

1. Introduction

Andrew Bethell and Andrew McKay of BDO Auckland and Colin Gower of BDO Christchurch were appointed joint and several administrators of Arrow International (NZ) Limited (“the Company”) on 28 February 2019 by a resolution of the Company’s directors, in accordance with section 239I of the Companies Act 1993 (“the Act”).

At the Watershed Meeting held on 6 June 2019, the Company’s creditors resolved to place the Company into liquidation. Andrew Bethell, Andrew McKay and Colin Gower were appointed joint and several liquidators (“Liquidators”) pursuant to section 241(2)(d) of the Act.

The Liquidators provided a Declaration of Independence, Relevant Relationships and Indemnities together with details of hourly rates in the Watershed report dated 29 May 2019 previously provided to creditors. The rates have not changed since that report.

In accordance with section 255 of the Act we report on the Company’s affairs together with our proposals for conducting the liquidation.

2. Restrictions

This report is not intended for general circulation, nor is it to be reproduced or used for any purpose other than that outlined above without our written permission in each specific instance.

We do not assume any responsibility or liability for any losses occasioned to any party as a result of the circulation, publication, reproduction or use of this report contrary to the provisions of this paragraph.

We reserve the right (but will be under no obligation) to review this report and if we consider it necessary to revise the report in the light of any information existing at the date of this report which becomes known to us after that date.

3. Company information

Arrow international (NZ) Limited (In Liquidation)

Date of Incorporation:	12 May 2011
Registered Office:	1 Broadway, Newmarket Auckland, 1023 New Zealand
Type of Business:	Construction projects
Shareholder:	Arrow International Group Limited 17.58m shares
Directors:	Ronald Douglas Anderson Robert Athol Foster
Date of Liquidation:	6 June 2019

4. Background and reasons for liquidation

The Company was incorporated on 12 May 2011 and was involved in construction, property development and the provision of professional services to the construction industry both across New Zealand and in the Pacific. The Company was the main trading entity of the wider Arrow group.

On 28 February 2019, the Company, along with its parent Arrow International Group Limited and its subsidiary, Construction Labour and Resources Limited was placed in administration by resolution of its directors.

The factors which lead to the administration were:

- increasing competition in the construction industry with greater pressure on margin;
- A large loss-making project in Auckland;
- a \$4.5m adjudication against the Company which could not be met; and
- property investments not having the value or realisation timing as expected.

No Deed of Company Arrangement was proposed at the Watershed Meeting held on 6 June 2019 and the creditors voted overwhelmingly to place the Company into liquidation.

5. Statement of affairs

Attached at **Appendix 1** is the Statement of Affairs of the Company. This statement has been prepared based upon financial information as at the date of the liquidators' appointment.

This statement has been prepared from information available at the end of the administration of the Company. As yet, we have not subjected the information to detailed verification procedures. Therefore we do not accept responsibility for its accuracy.

6. Creditors

List of creditors

Attached as **Appendix 4** is a full list of the names and addresses of creditors in accordance with section 255(2)(c)(ii)(C) of the Act.

We attach as **Appendix 2** our Public Notice which sets 12th of July 2019 as the day on or before which the creditors of the Company are to make their claims, and to establish any priority their claims may have under section 312 of the Act or to be excluded from the benefit of any distribution made before the debts are claimed or from objecting to the distribution.

If you submitted a claim form during the voluntary administration and the value of the claim remains unchanged, resubmission is not required. For new or adjusted claims please complete the Unsecured Creditor's Claim form attached as **Appendix 3** and return to us at the following address or by email:

It is too early to reliably estimate what funds, if any, will be available for unsecured creditors.

Secured creditors

Creditors claiming a security interest (including retention of title or other claims) in the Company's assets who:

- have not advised the Liquidators of their security interest; or
- have not received correspondence from the Liquidators concerning their security interest,

Should contact the Liquidators immediately and should not file a claim as an unsecured creditor unless they wish to surrender their charge to the Liquidators.

7. Proposals for conducting the liquidation

The Liquidators will:

- Continue to realise the Company's assets;
- Notify all known creditors of the Company;
- Administer the release of retentions held in trust;
- Recover outstanding debtors and retentions receivable;
- Undertake an investigation into the Company's trading history;
- Review and determine whether there are any potential voidable transactions or other avenues of recovery;
- Comply with their statutory duties;
- Distribute all realisation proceeds in order of their statutory priority;

The liquidators will then seek to have the Company removed from the register.

8. Estimated date of completion

It is not practical to estimate the date of the completion of the liquidation at this stage. Our subsequent reports to creditors will, when appropriate, advise of an estimated completion date.
